The Northwestern Vermont Model Railroad Association is proud to sponsor Vermont's largest model railroad show, our 24th annual "Vermont Rails" show, on Saturday, March 3, 2012, at the Champlain Valley Exposition, Route 15, Essex Junction, Vermont. The show will be open from 10:00 a.m. to 4:00 p.m. Admission is \$5.00 for adults, \$1.00 for children between 6 and 12 years old, and free for children under 6. There is also a special admission of \$5.00 per family with an active military identification.

The show will feature multiple operating HO, N, G, and O-scale layouts, in addition to over 120 tables of exhibits and vendors of model railroading supplies! There will be a railroad clown to entertain the children with face painting and balloons, and multiple hands-on train activities for children also. The facility is handicap accessible, and a food stand with hamburgers, hotdogs, fries, and other snacks will be open throughout the show. In recent years we have had over 1,600 in paid attendance!

The Champlain Valley Exposition is known by many as the site of the Champlain Valley Fair each August, and is easily accessible from Interstate 89. It is located on Route 15 in Essex Junction, 3.0 miles east of the Winooski exit 15 from Interstate 89, or 0.7 miles west of "Essex Five Corners", the intersection of Routes 15, 2A, and 117. The entrance to the facility is at "Gate B", directly across from the Dunkin' Donuts and Kentucky Fried Chicken.

All commercial tables are 8 feet long, and cost \$30.00 for the first table and \$25.00 for each additional table for reservations postmarked before February 1, 2012, or \$35.00 each for all tables after the cutoff date. Exhibit tables are available at no charge. However, sales from exhibit tables are prohibited
