The NWV Model Railroad Association is proud to host Vermont's largest model railroad show for its 31st year on Saturday, March 10, 2018 at the Collins Perley Sports & Fitness Center off Exit 19 of Interstate 89 in St. Albans, Vermont. The show will be open from 10:00 a.m. to 4:00 p.m. Admission is \$5.00 for adults, \$1.00 for children between 6 and 12 years old, and free for children under 6. We also offer a special admission of \$5.00 per family with an active military identification.

The show will feature multiple operating Z, N, HO, O, and G-scale layouts, and a 1.5 inch large scale train. There will be more than 100 tables of exhibits and vendors of model railroading supplies and railroad videos and books, and hands-on train activities for children, and free face painting! The facility is handicap accessible, and a food stand will be open during the show. In recent years we have had over 1,200 in paid attendance!

For exhibitors, all commercial tables are 8 feet long, and cost \$30.00 for the first table and \$25.00 for each additional table for reservations postmarked before February 1, 2018, or \$35.00 each for all tables after the cutoff date. For exhibitors with their own free-standing display stands, we offer additional 8-foot spaces without a table at \$20.00 each for early registrations only. However, free-standing displays must be confined to the 8-foot spaces paid for. Exhibit tables for railroad-related non-profit organizations are available at no charge. However, sales from exhibit tables are strictly prohibited. Reservations and location requests are accepted in order of receipt.

To reserve space, please contact Ron Piro at:
