The show will showcase multiple operating HO, N, G, and O-scale layouts, in addition to over 75 tables of exhibits and vendors of model railroading supplies and railroad videos and books! There will be hands-on train activities and a face painter for children also. This year will feature an HO layout built by the Barre City School STEAM class, depicting the central Vermont area! The Berlin Volunteer Fire Department will be selling hot dogs, sandwiches, snacks & beverages during the show.

The NWV was formed in 1978, and meets every Wednesday evening at the Association's HO-scale layout in the Pinewood Plaza in Essex Junction, Vermont. Meetings are devoted to construction of the layout, operating sessions, and promotion of the hobby. The NWV is a 501(c)3 non-profit organization providing education about model railroading, and its members are active in the community, showing portable layouts in multiple modeling scales at various charitable functions. Anyone interested in model railroading is encouraged to join.
